International Research Experience Program

Apply now,
travel tommorow!

Join the International Research Experience Program (IREP) at TU Darmstadt

Take part in cutting-edge research, expand your global perspective, and make unforgettable memories in Germany.

Why Choose IREP?

- **Innovative Research:** Work on groundbreaking projects in engineering, sciences, humanities, and more.
- **Cultural Immersion:** Explore Germany and Europe through university-organized excursions or travel independently with fellow participants.
- **Academic Advancement:** Earn 12–18 ECTS credits to enhance your academic profile.
- **Global Community:** Connect with fellow students from partner universities in Canada, the USA, and Singapore.

Eligibility

- Currently enrolled in an undergraduate or graduate program at a TU Darmstadt partner university in Canada, the USA, or Singapore.
- Completed at least three undergraduate years or one year of graduate study.
- Minimum GPA: 3.0 (US) / 73% (Canada).

IREP Options

- **Spring:** March – June, €2,700
- **Summer:** May – August, €3,099
- **Fall:** September – December, €2,700
- **Program Fee Includes:** Housing, public transport, health insurance, excursions, and academic resources
- **Optional:** German language courses for Spring and Fall (4 weeks, 6 ECTS)
- **Scholarship of Excellence Available:** Covers program fees for top-performing participants.

Start Your Journey Today!

- Contact your university's International Office to apply.
- Explore research opportunities at TU Darmstadt's Project Database.
