SREP Overview

- Full-time hands-on research
- May- August (8-16 weeks)
- Non-credit or pre-approved UofT course
  - PCL397Y0 – Pharmacology & Toxicology
  - HMB394Y0 – Human Biology
  - APS299Y0 - Engineering
- CIE Nomination
- SREP Award $3000

SREP Eligibility Requirements

- ❑ Be enrolled as a degree seeking student until program completion
  - > Students graduating in June 2027 are not eligible
- ❑ Be registered in at least 1 course at the time of application
- ❑ Good academic standing and have a CGPA of at least 2.25
  - > Most destinations require a higher CGPA
- ❑ Complete 2+ years of study by the time of participation
  - > Destinations that accept 1st year students: NTU (Engineering), City University of Hong Kong, University of Liverpool, Shanghai Jiao Tong University
  - > Some destinations require 3+ years of study

Important notes – read before applying

- ❑ **All** destinations require official CIE nomination
- ❑ Students should submit their **CIE application first**
- ❑ Follow the **institutional instructions** via the destination list on SREP website to submit your application to the host institution
- ❑ **All** for-credit pathways (APS/PHY/HMB/PCL) require an official CIE nomination **before** moving forward to the host institution application
- ❑ **Some** non-credit destinations also require official CIE nomination **prior to** host institution application (i.e., Imperial, Warwick, CityUHK, HKUST, NUS SERIUS, Technical University of Denmark, University of Birmingham)
- ❑ If you are unsure about the application process for any destination, please book a Folio appointment, email global.el@utoronto.ca, or come to our in-person drop-in to ask for clarification.

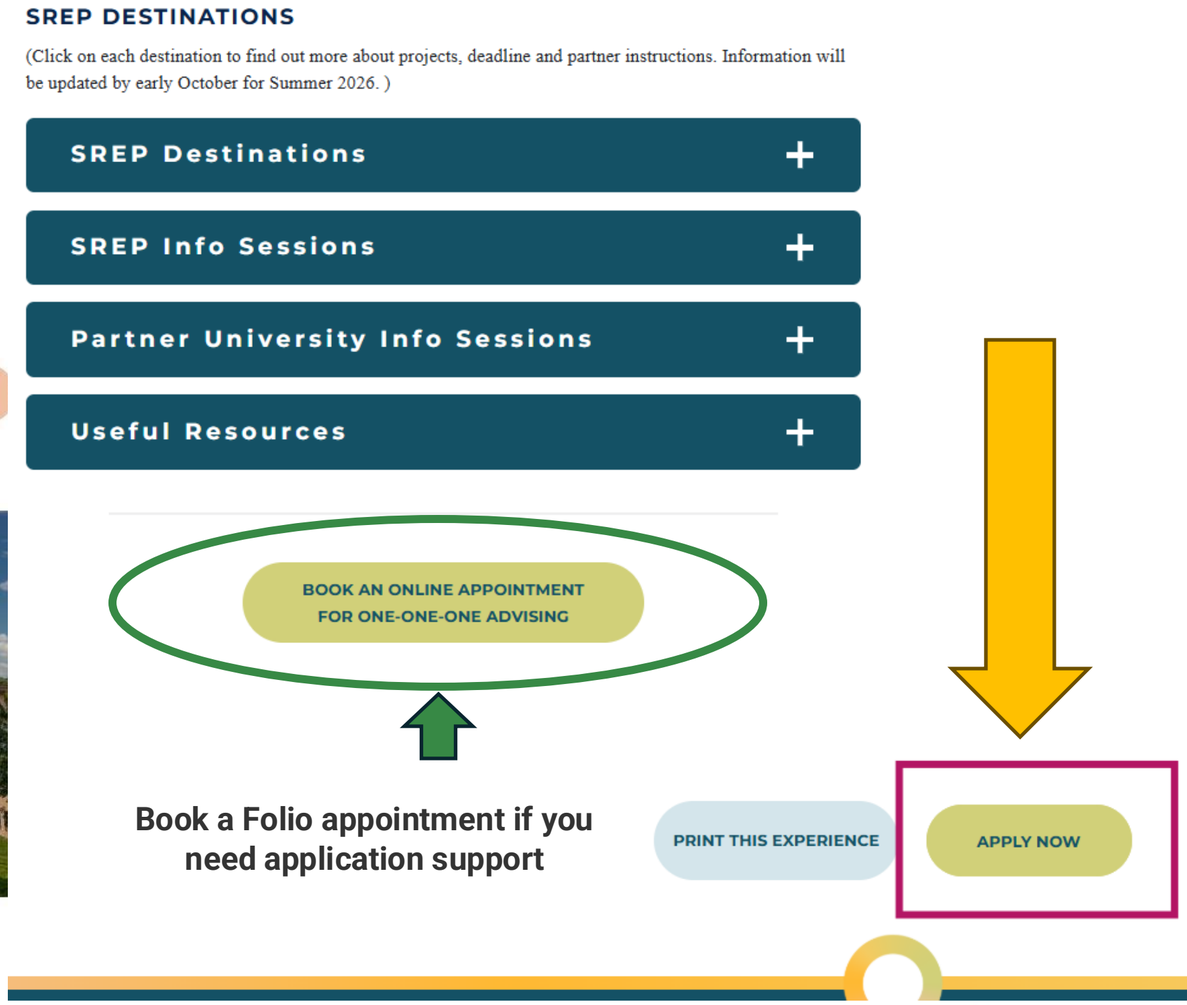

How to Apply ?

SREP Program Page

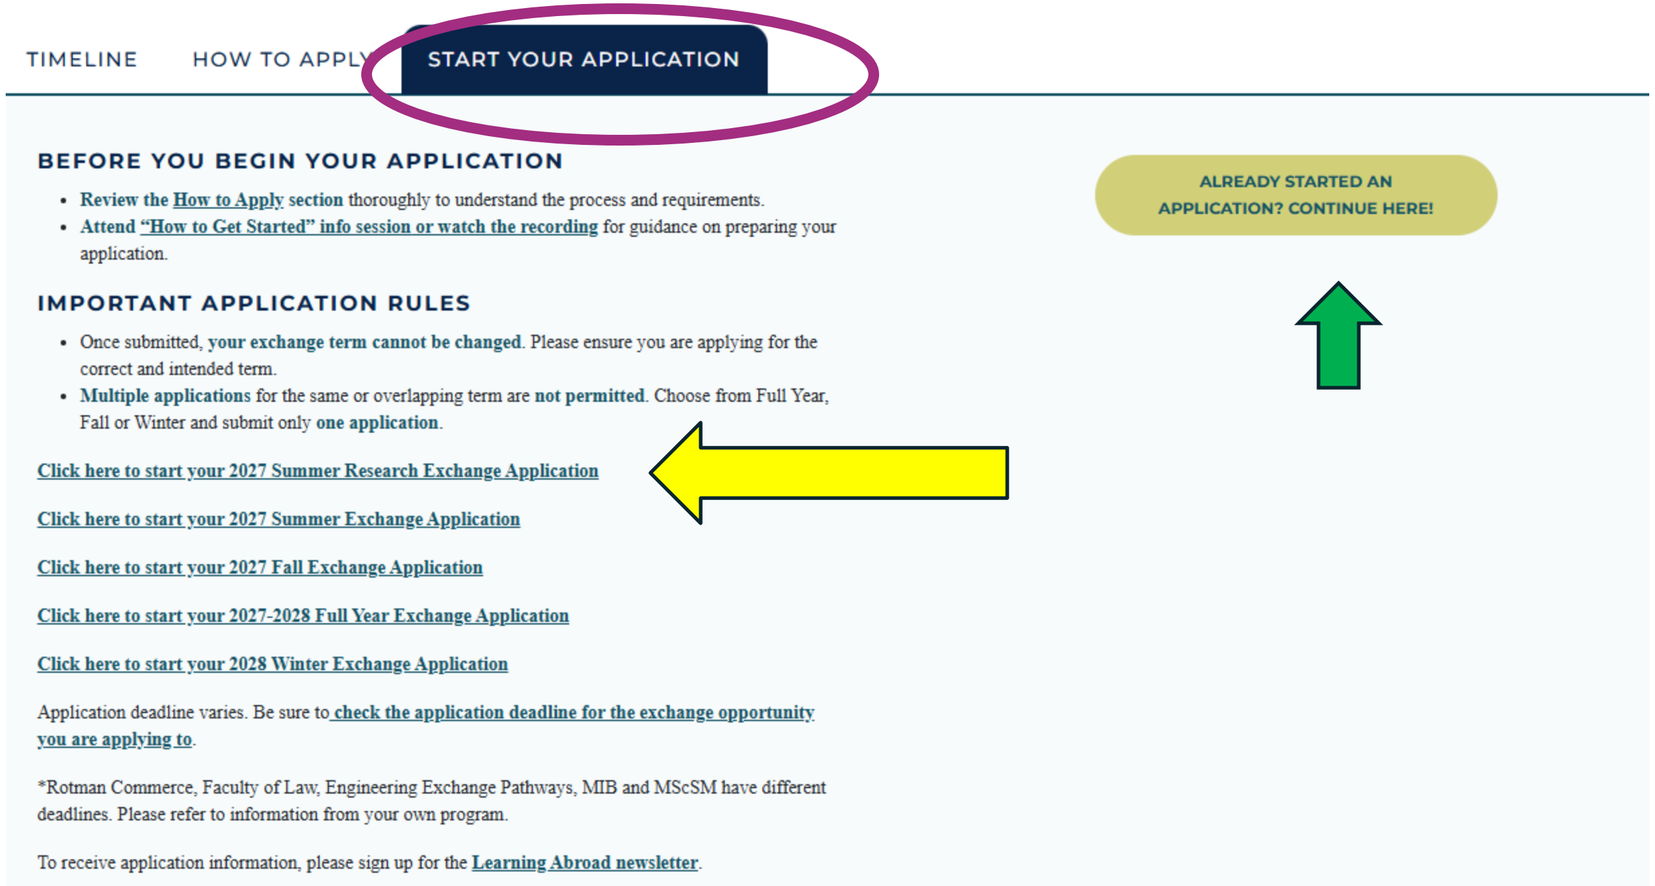

https://learningabroad.utoronto.ca/experiences/summer-research-exchange-program-srep/

Click the “Apply Now” button at the bottom of the webpage

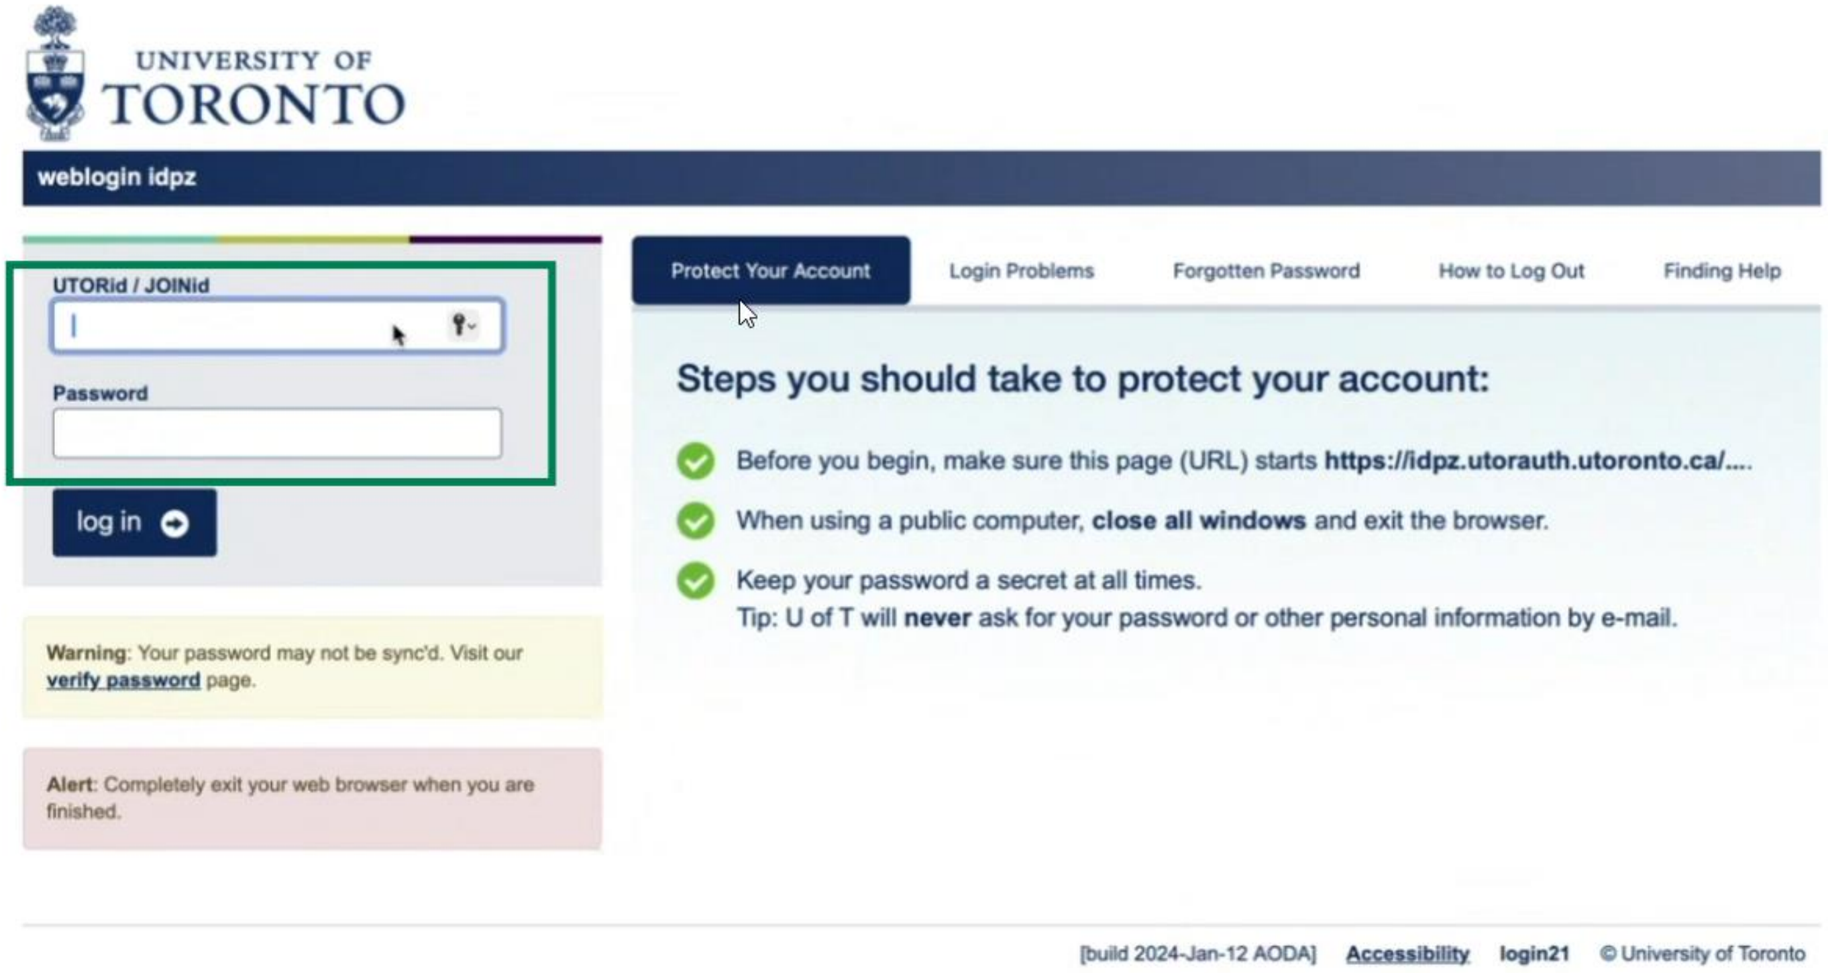

Select the correct application link

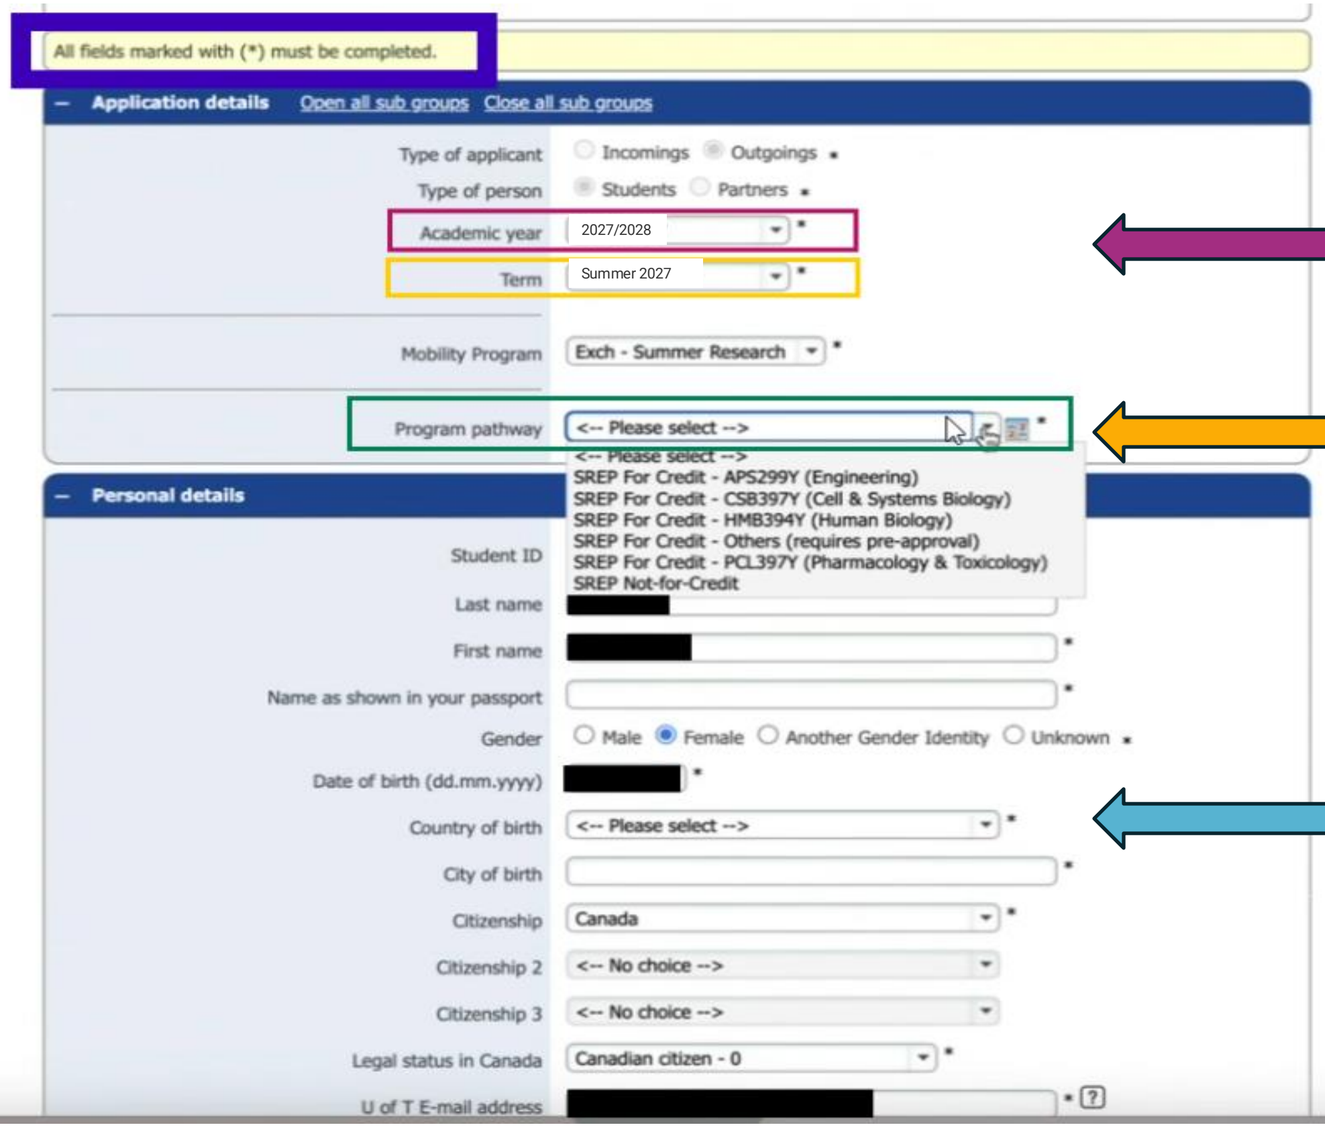

- Make sure to select the correct application link for SREP
- Once you have started an application, you can go back to it by clicking on the green button

Login by entering your UTORid and password

Application portal: Mobility Online

**** The CIE application consists of 2 parts; your application won't be complete until both parts are successfully submitted.**

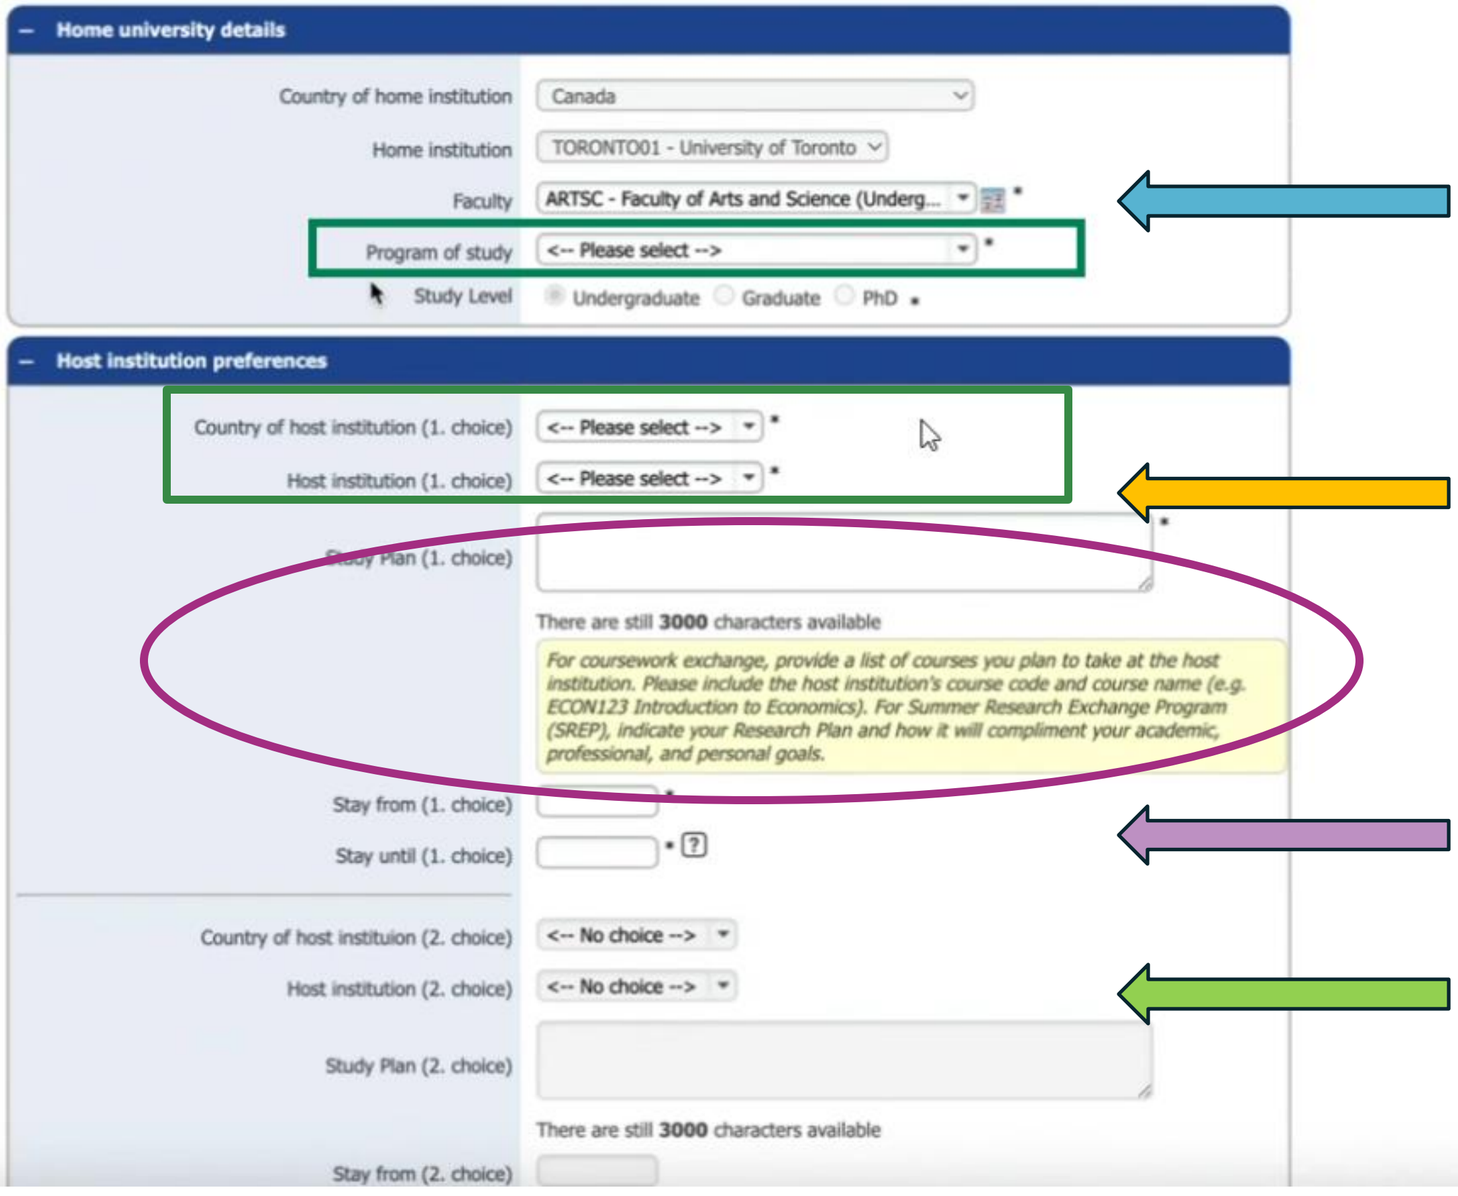

- **Select 2027-28 academic year and Summer 2027**

- **Select your desired pathway**
- **Only one pathway allowed and one application per student**

- **Some of your personal information will be automatically populated**
- **Complete all required fields**

Application: Part 1

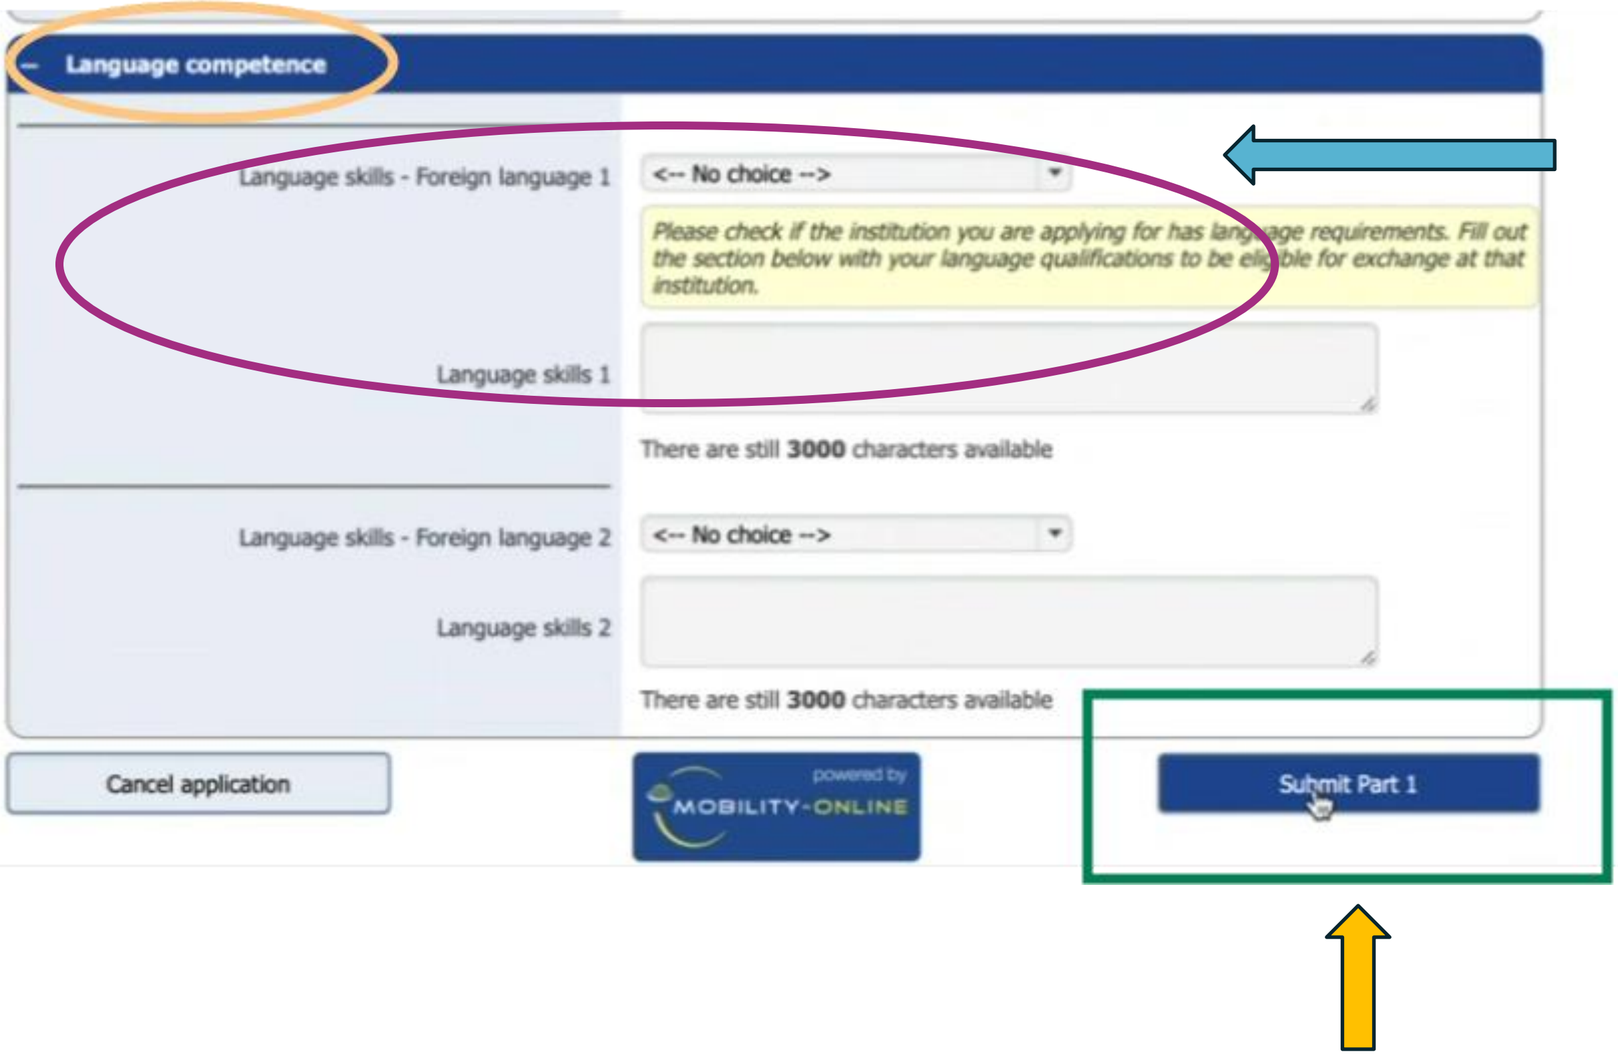

- Your faculty is linked to your academic record and can't be changed
- Please select your program of study
- If you have a 2nd major, please indicate in your study plan

- Select your 1st destination
- Indicate your research plan and how it will compliment your academic, professional and personal goals in the Study Plan section

- Select date range, use estimated dates if detailed schedule is not available at the time of application

- 2nd destination is optional

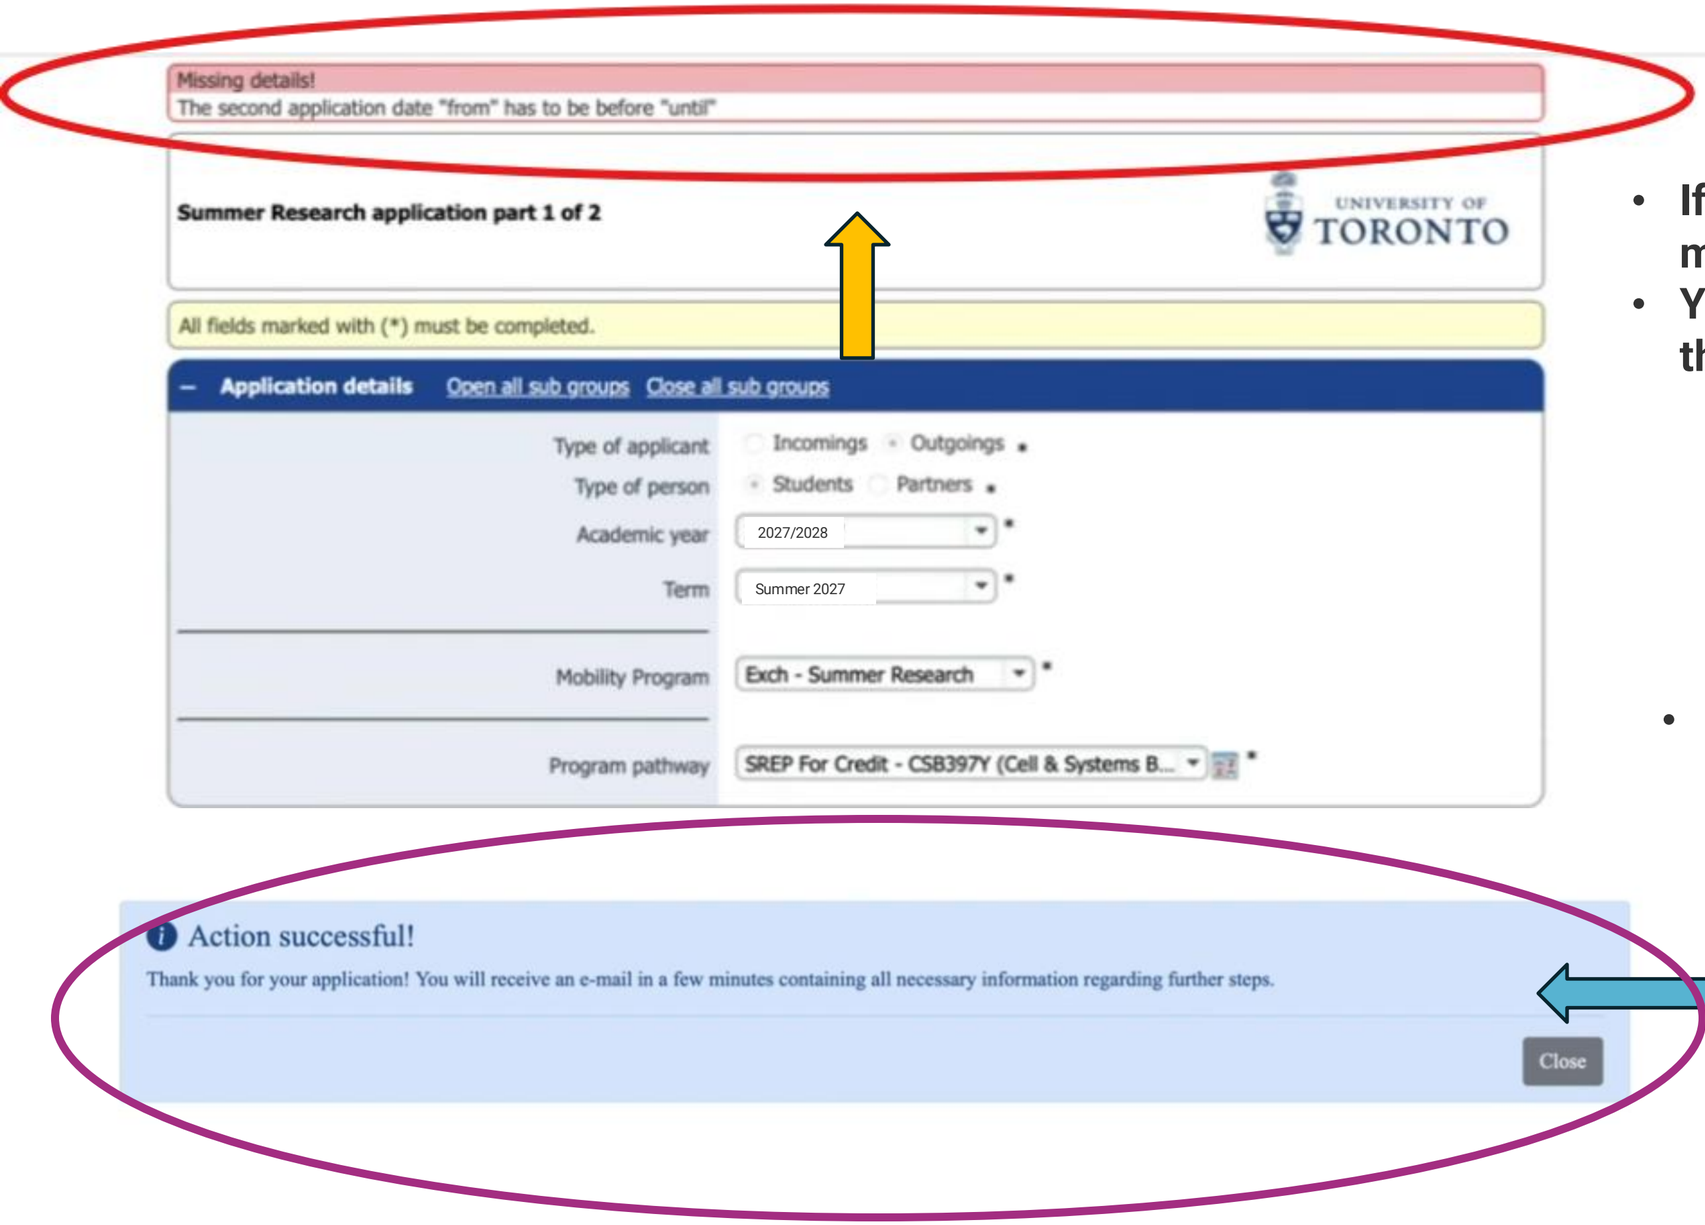

Application: Part 1

- Language competence is optional
- If you have any foreign language skills, you may indicate here
- All Summer Research placements are conducted in English
- Your foreign language skills may help you navigate local environment but won't impact your application

- Ensure all required fields are filled in correctly
- Click "Submit Part 1" to finish part 1 of your application

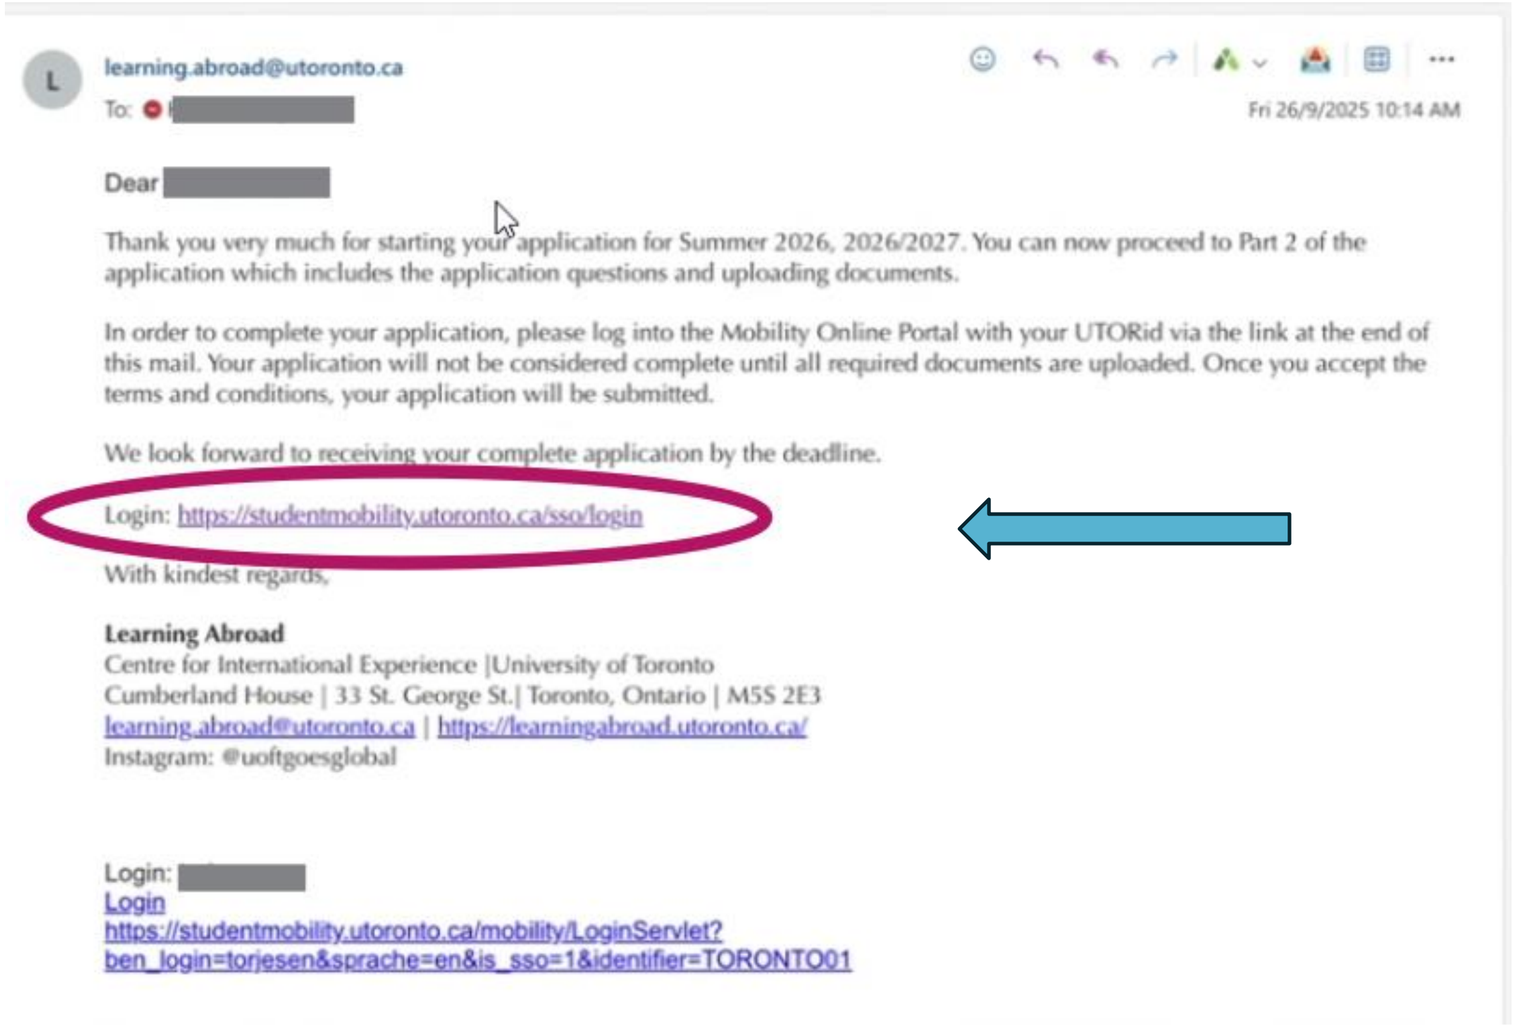

Application: Part 1

- **If any required field is in question, an error message will pop up**
- **Your application can't be submitted until the issue is resolved**

- **Once part 1 of your application is successfully submitted, a confirmation message will show up**

Application: Part 2

- **You will receive a confirmation email shortly after completion of Part 1**
- **Use the login link in your email to start Part 2**

Application: Part 2

LEARNING & SAFETY ABROAD

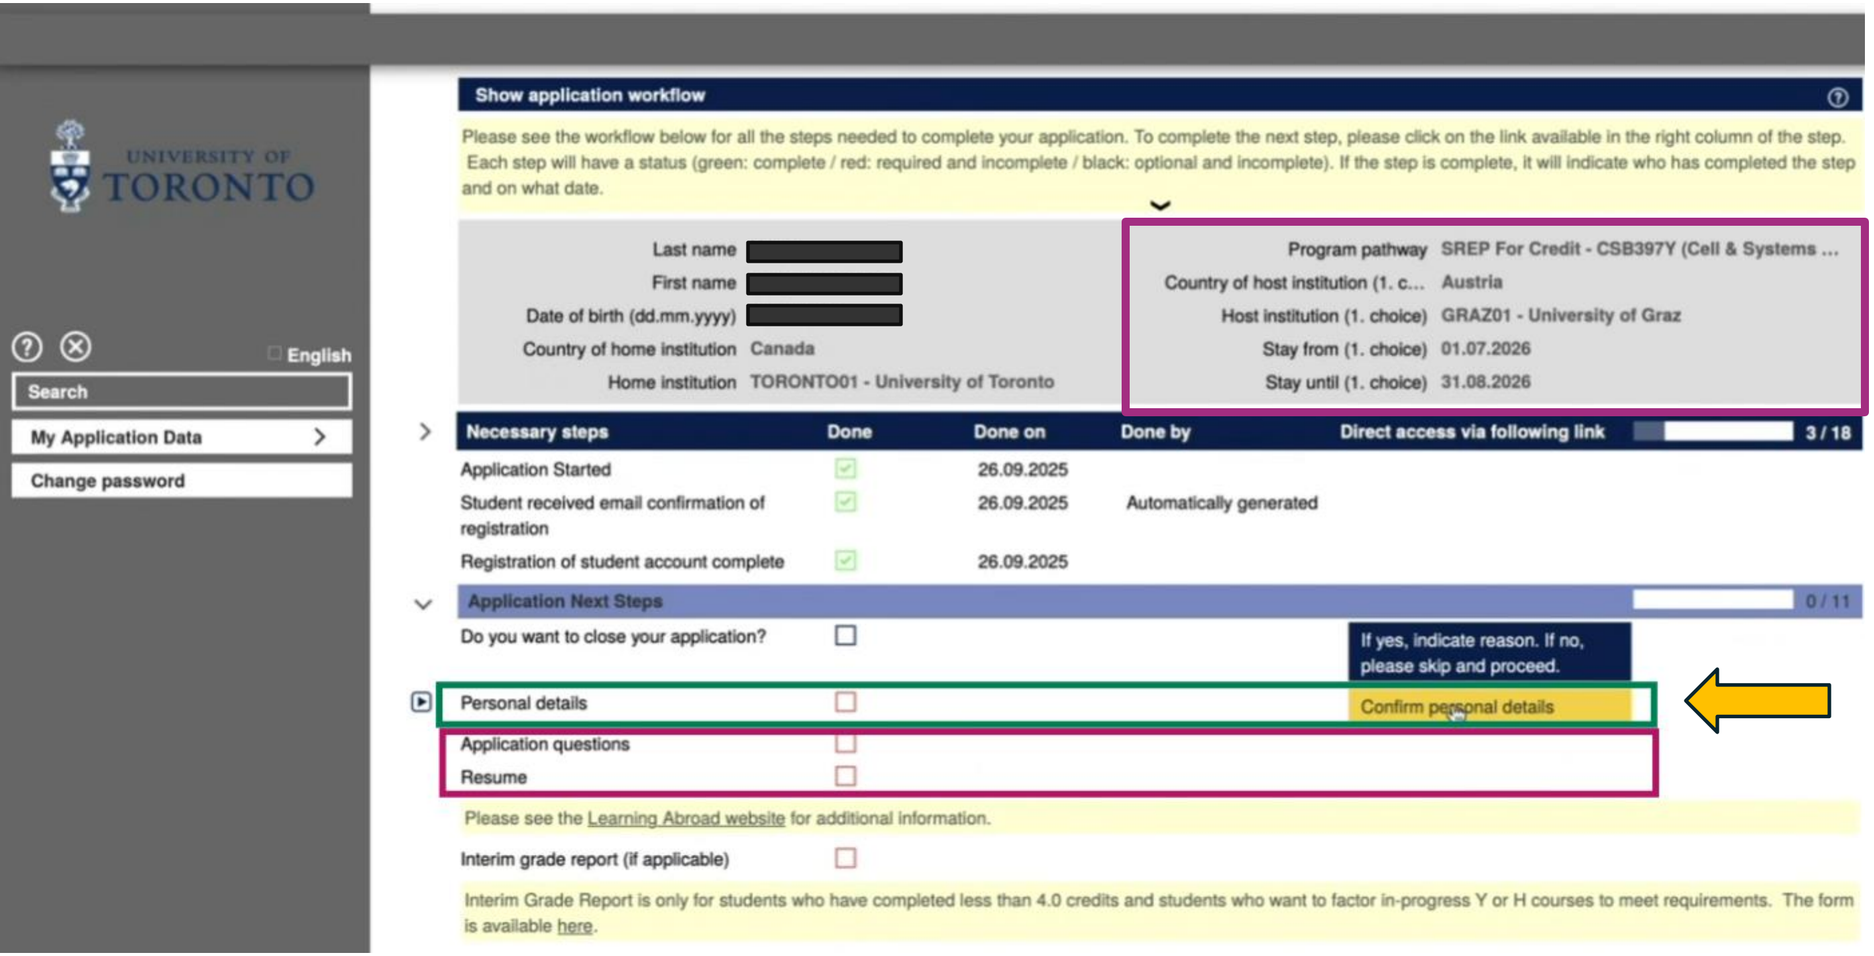

5 Required steps

1. Confirm personal details
2. Answer application questions
3. Upload resume
4. Indicate if you are applying for funding (and funding form if yes)
5. Confirm terms and conditions

UNIVERSITY OF TORONTO

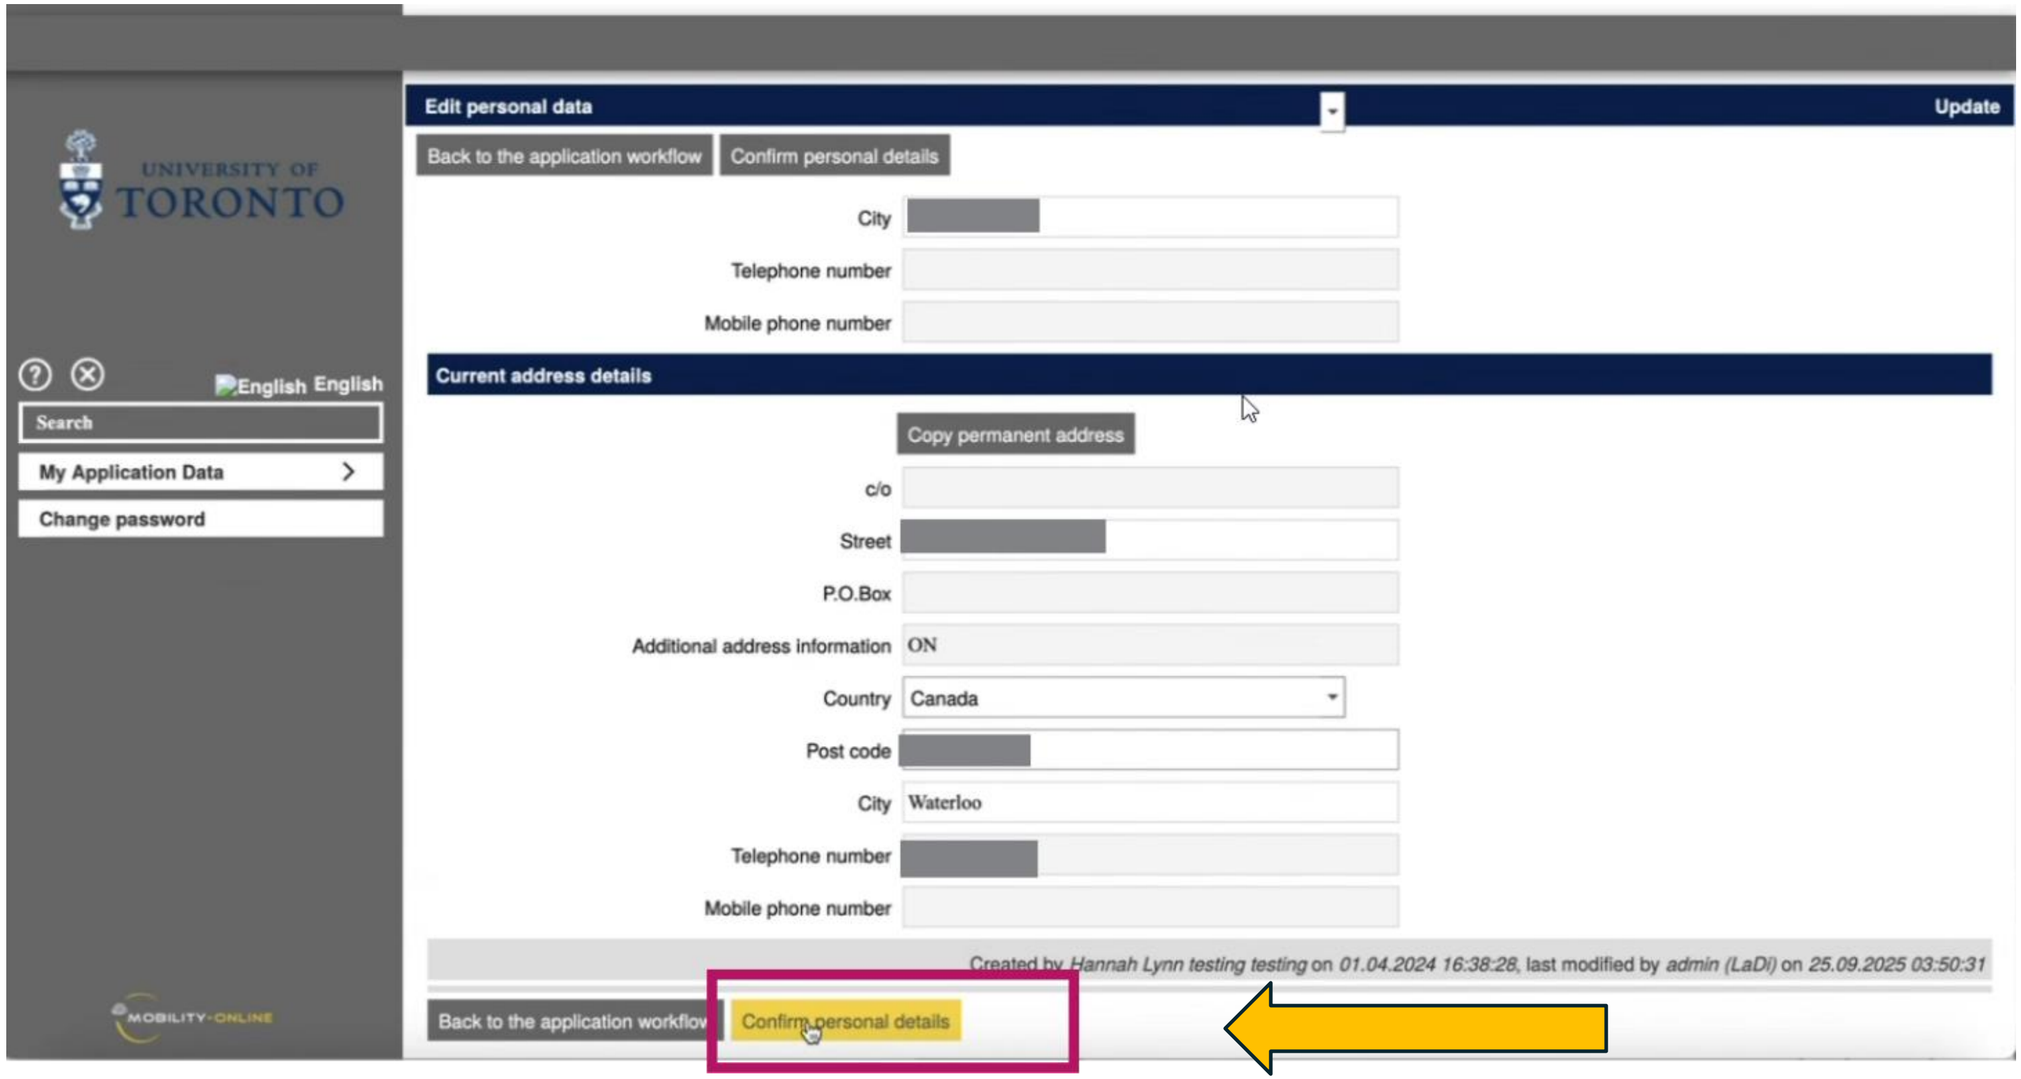

Application: Part 2

- Your application info is shown here
- Click on the text box on the right to complete each step
- Once you complete an item, the checkbox turns green

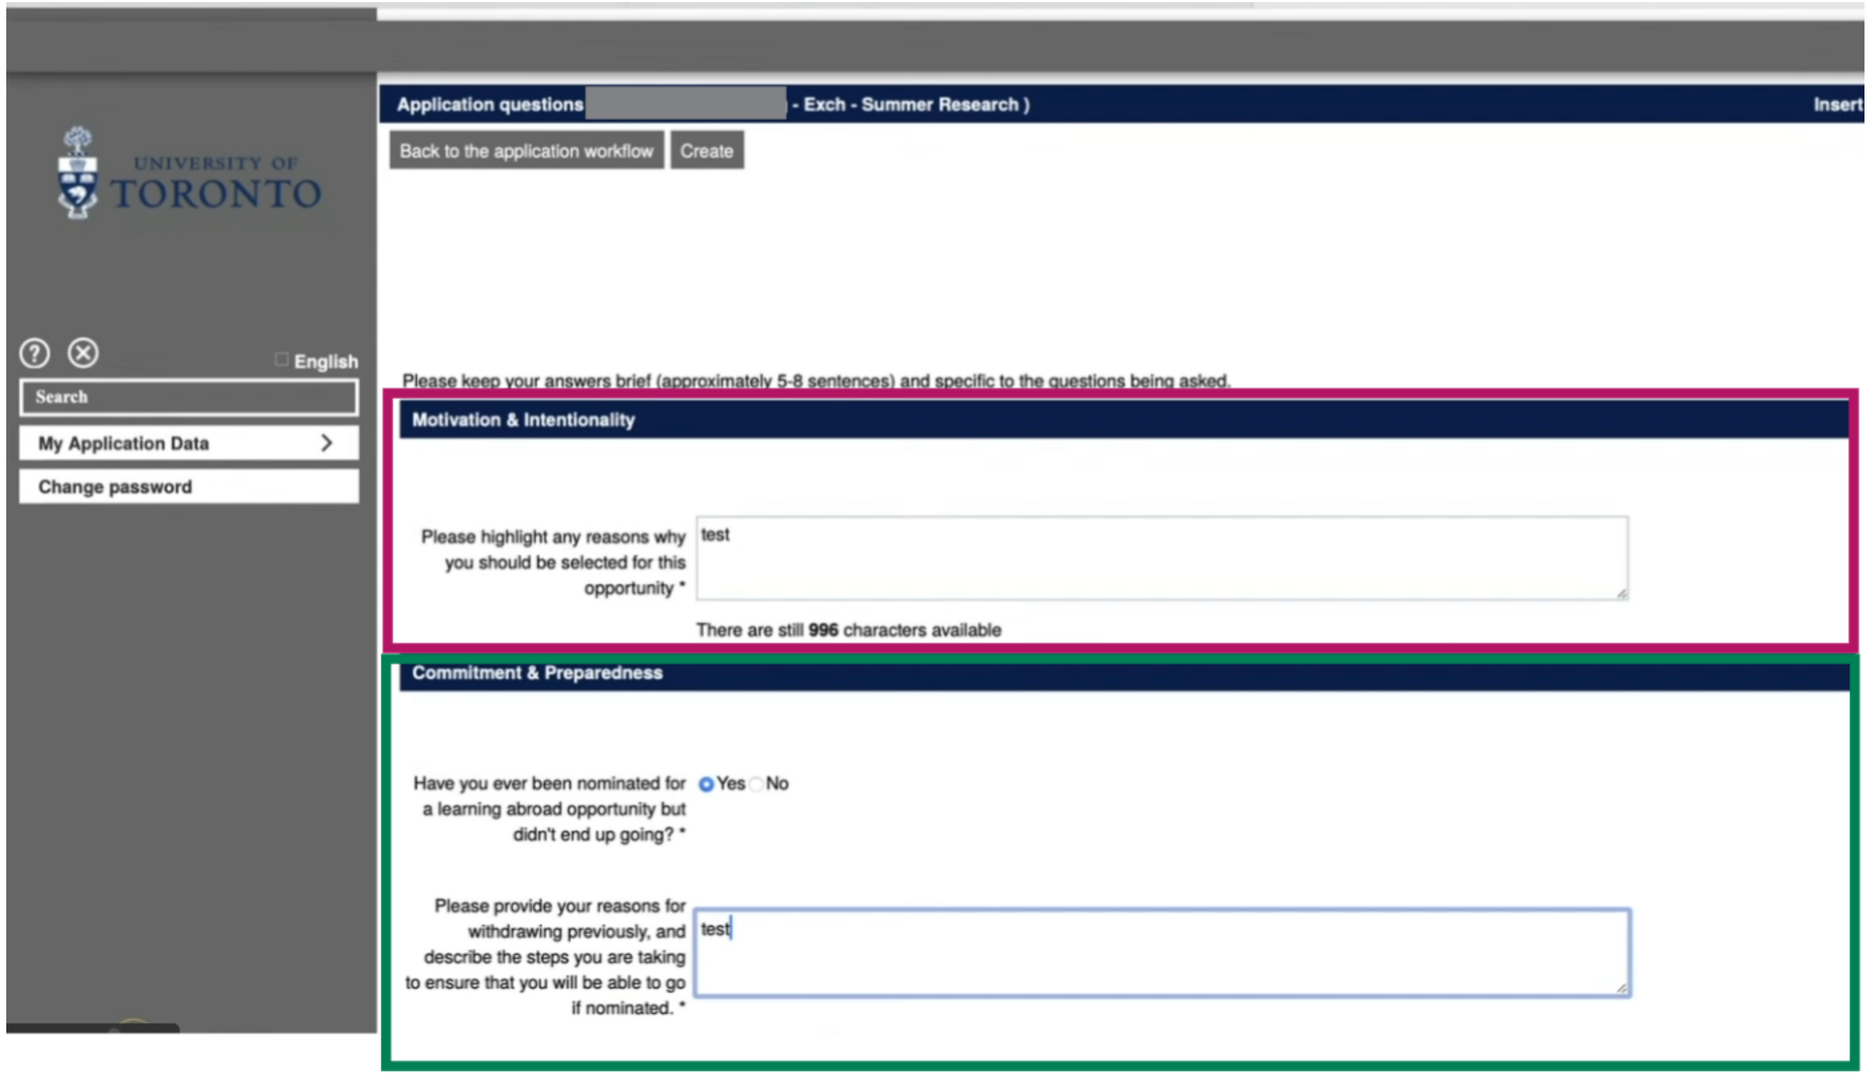

Application: Part 2

Step #1 - Confirm Personal Details

Application: Part 2

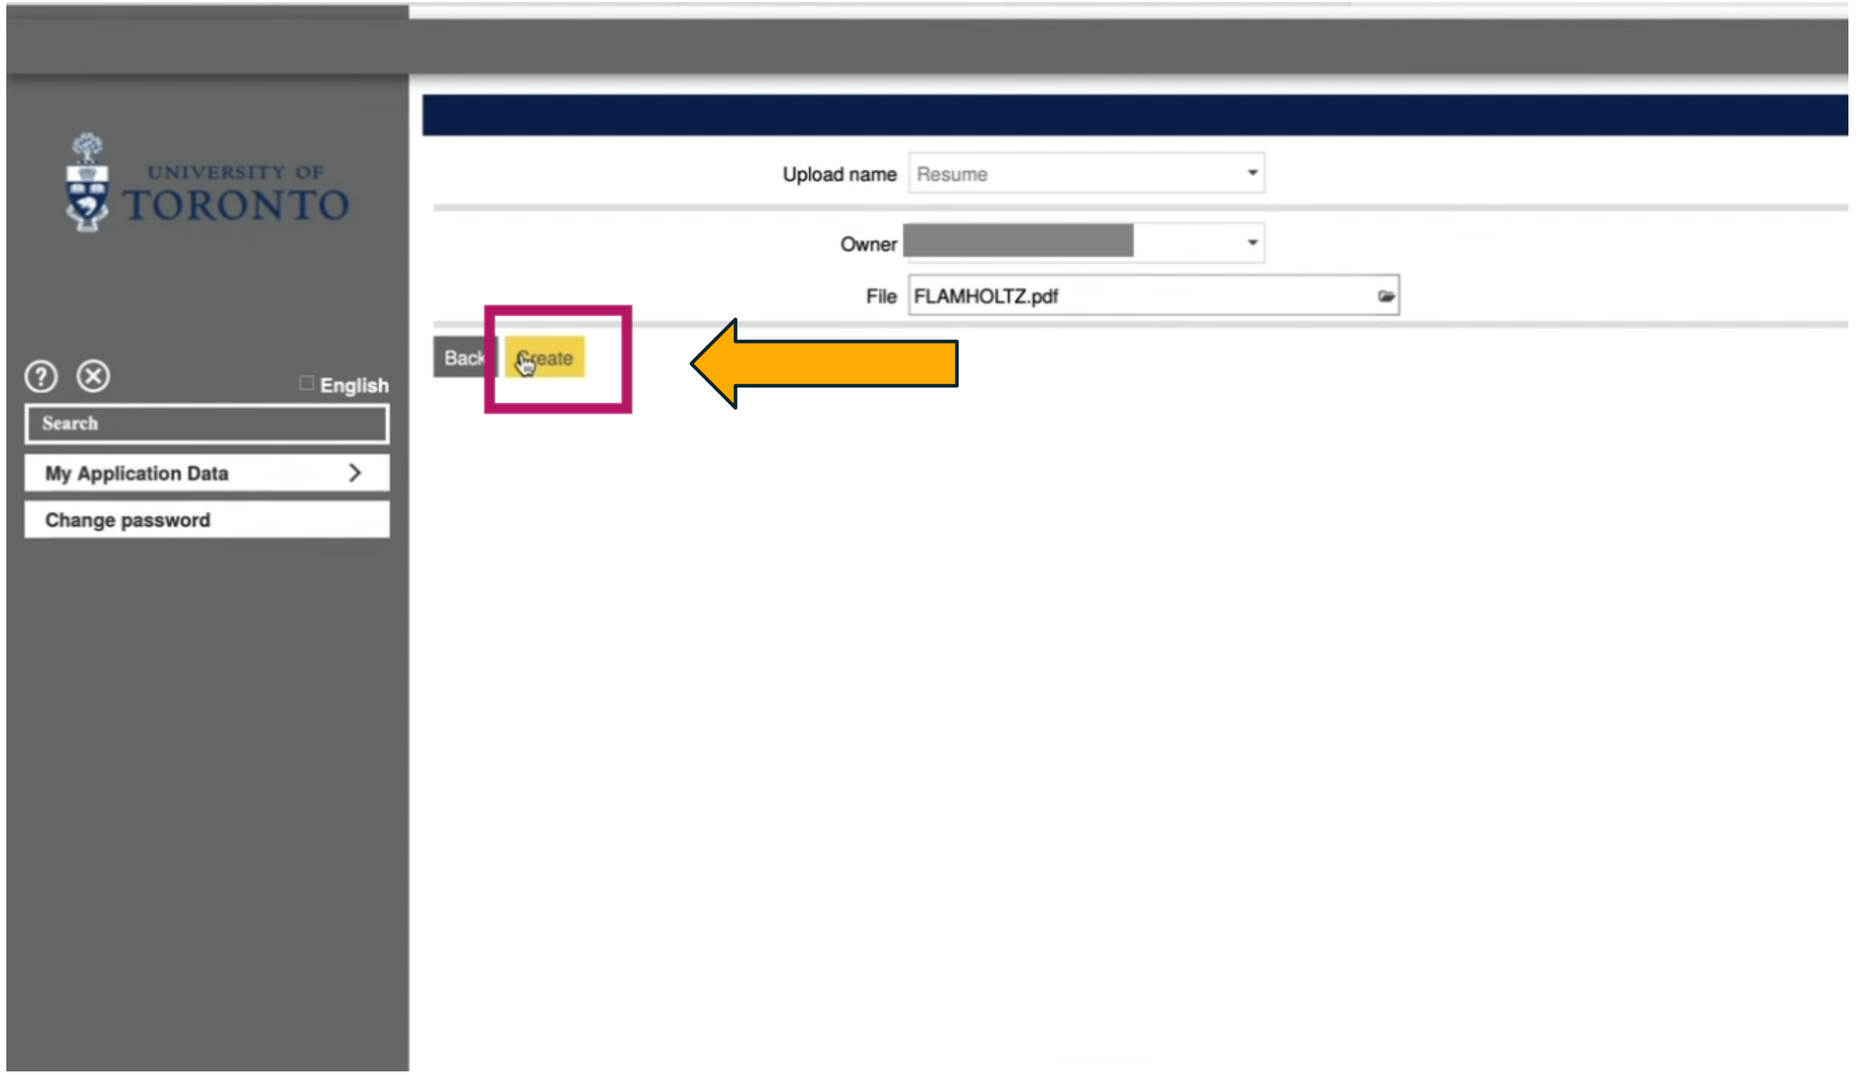

Step #2 - Answer Application Questions

1. Motivation & Intentionality (*very important and will impact your nomination)
2. Commitment & Preparedness
3. How did you find out about this opportunity
4. Other information (your answers to this section won't impact your nomination)

Application: Part 2

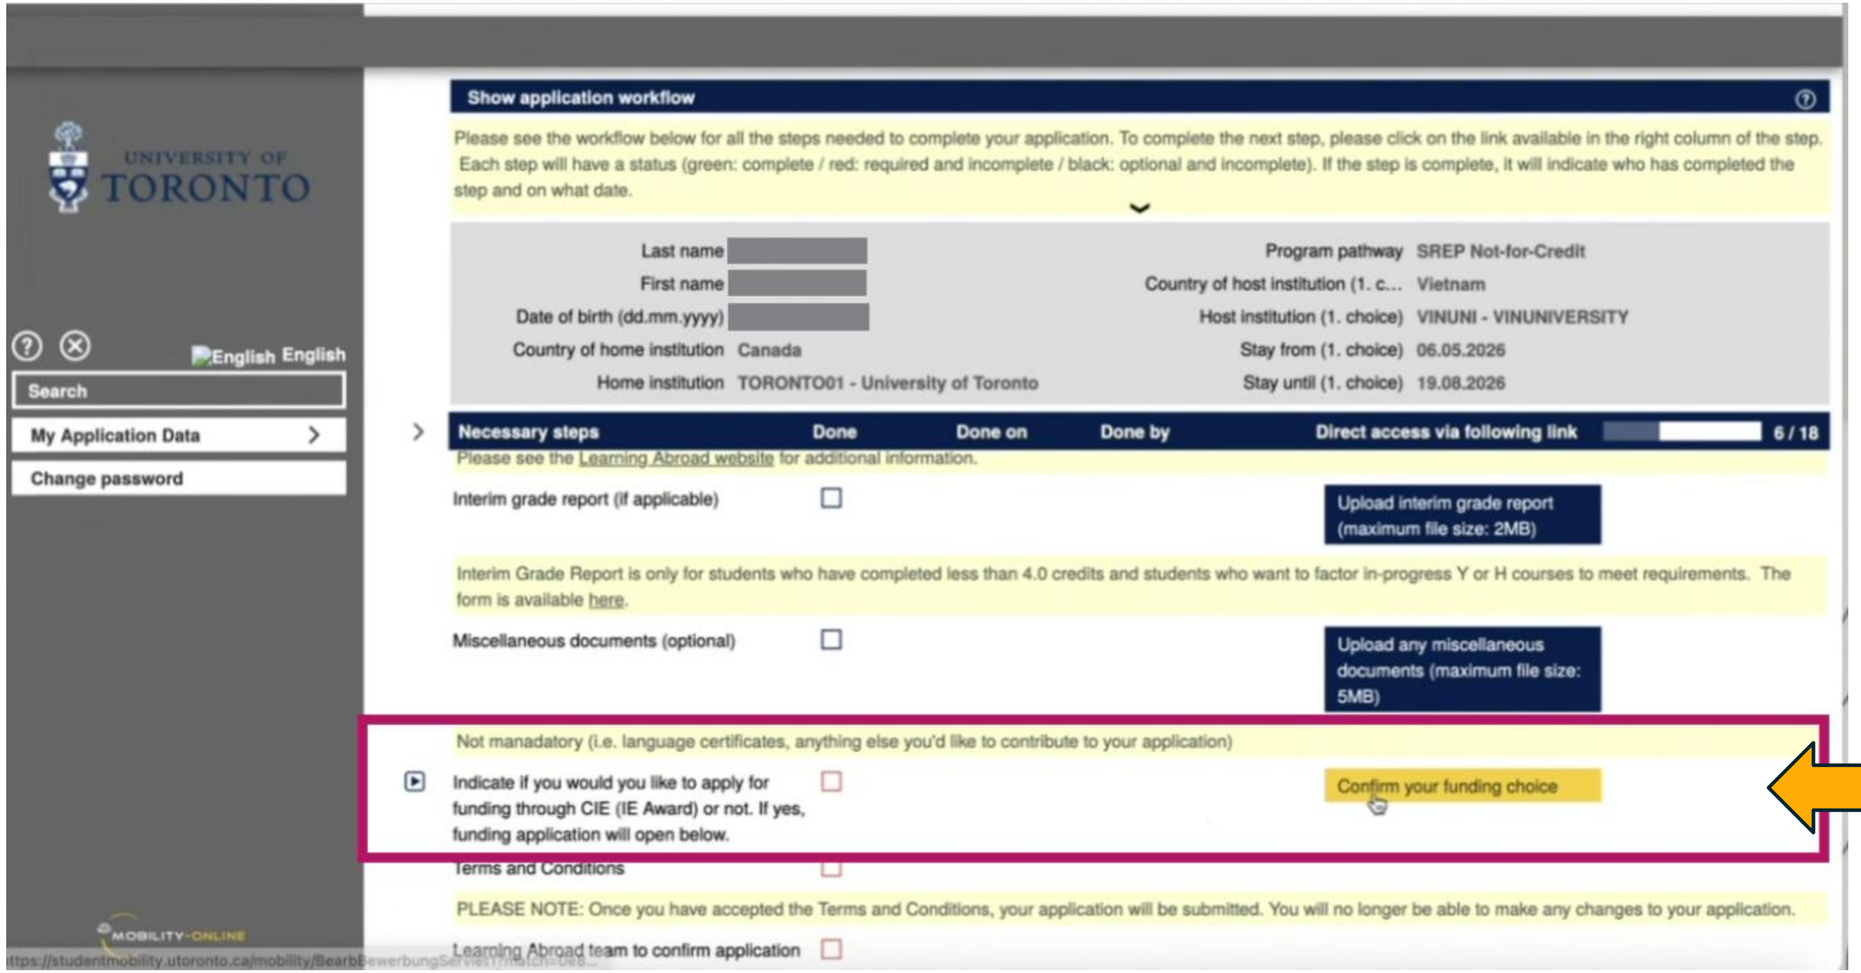

Step #3 - Upload Resume

- If multiple documents are required for your destination, please combine them in one PDF file then upload
- If your 2nd destination requires a different set of documents, please upload to the “miscellaneous documents” section

Application: Part 2

Step #4 - Indicate if you'd like to apply for funding

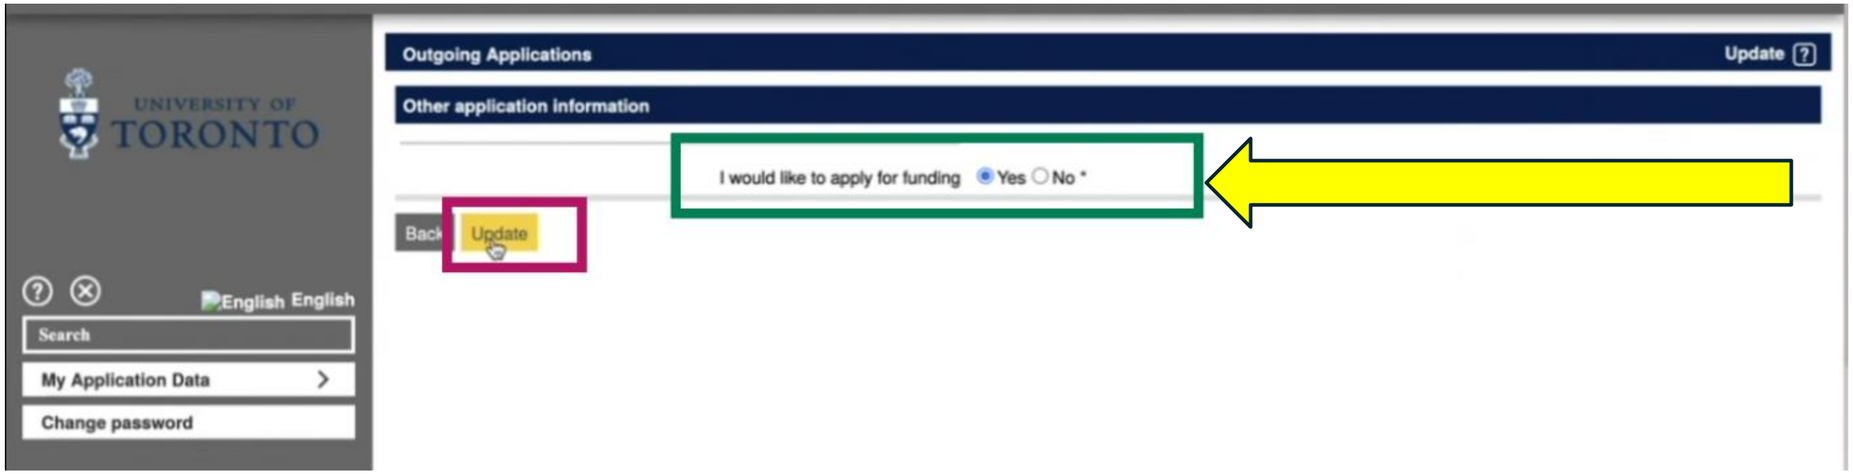

- Indicate if you'd like to apply for funding
- The section is required and you have to confirm yes or no
- If yes, you are required to complete a separate form

Application: Part 2

Step #4 - Confirm if you'd like to apply for funding

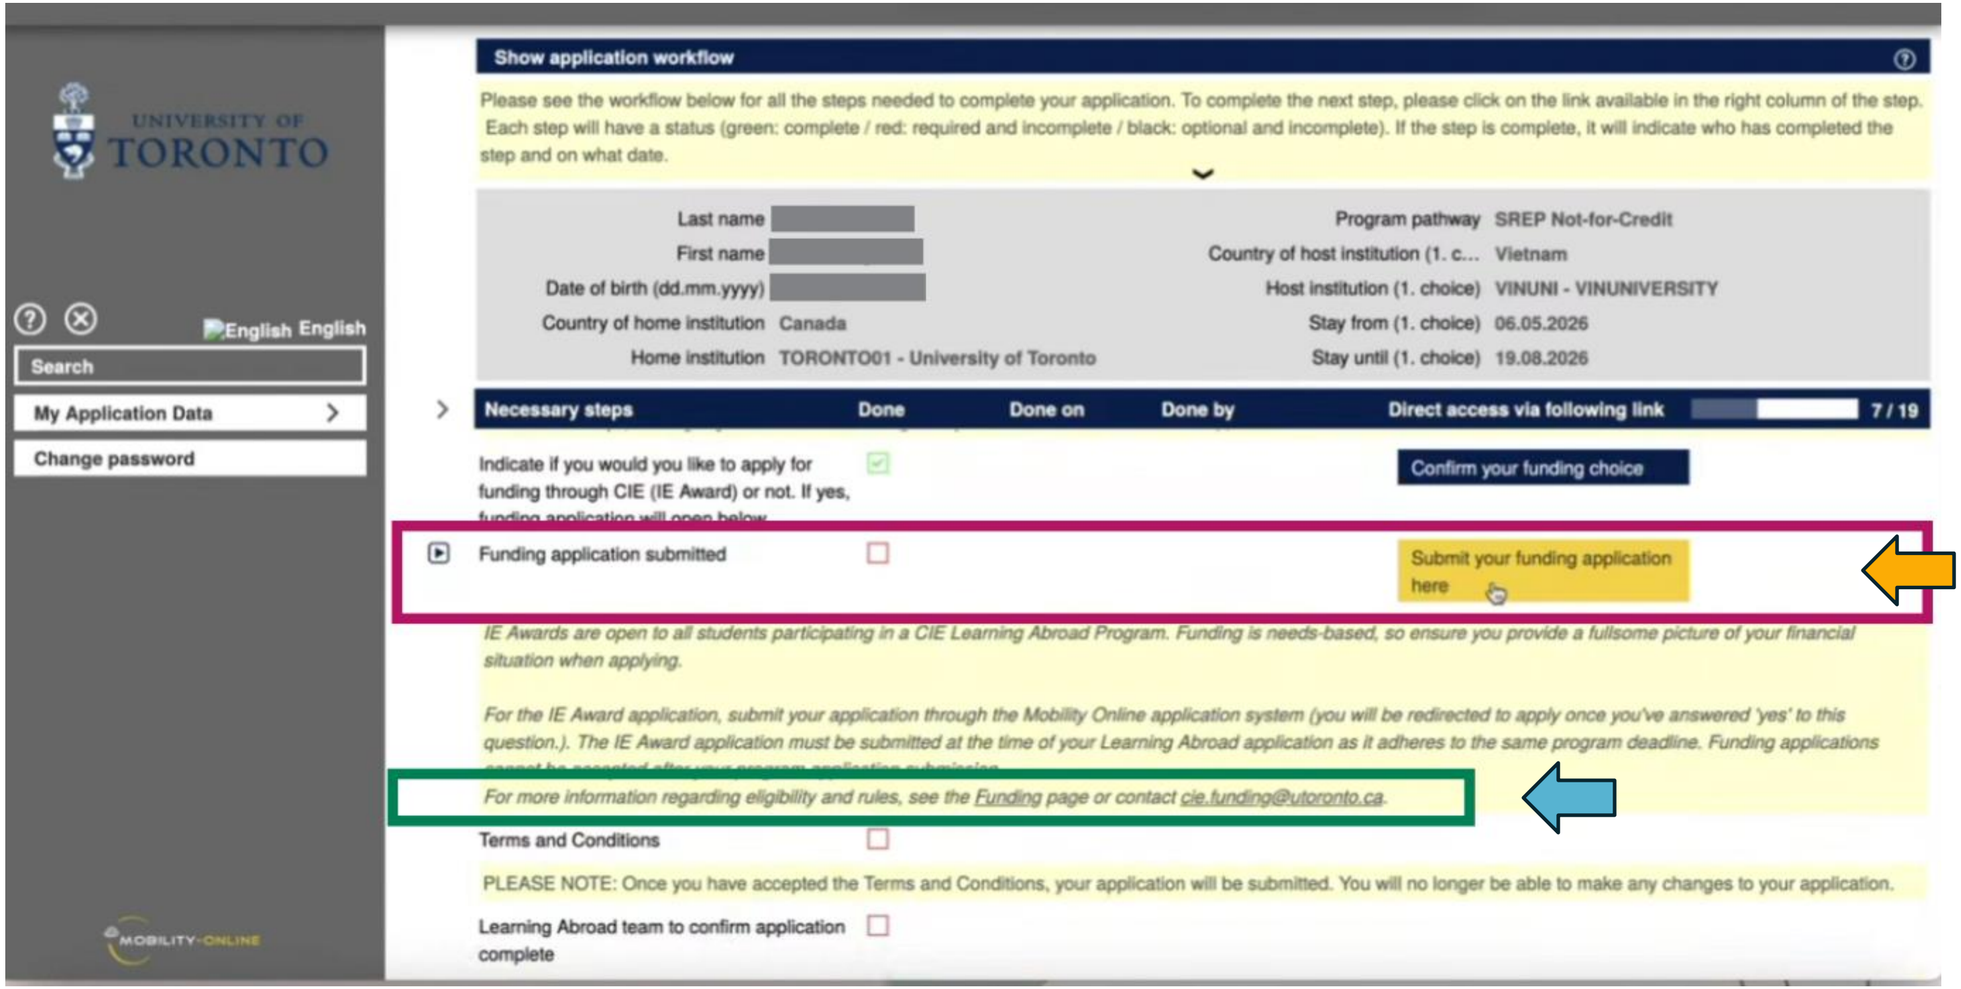

- Click on the yellow text box to confirm whether you'd like to apply for funding

- Select yes or no
- Click on "Update" to submit

Application: Part 2

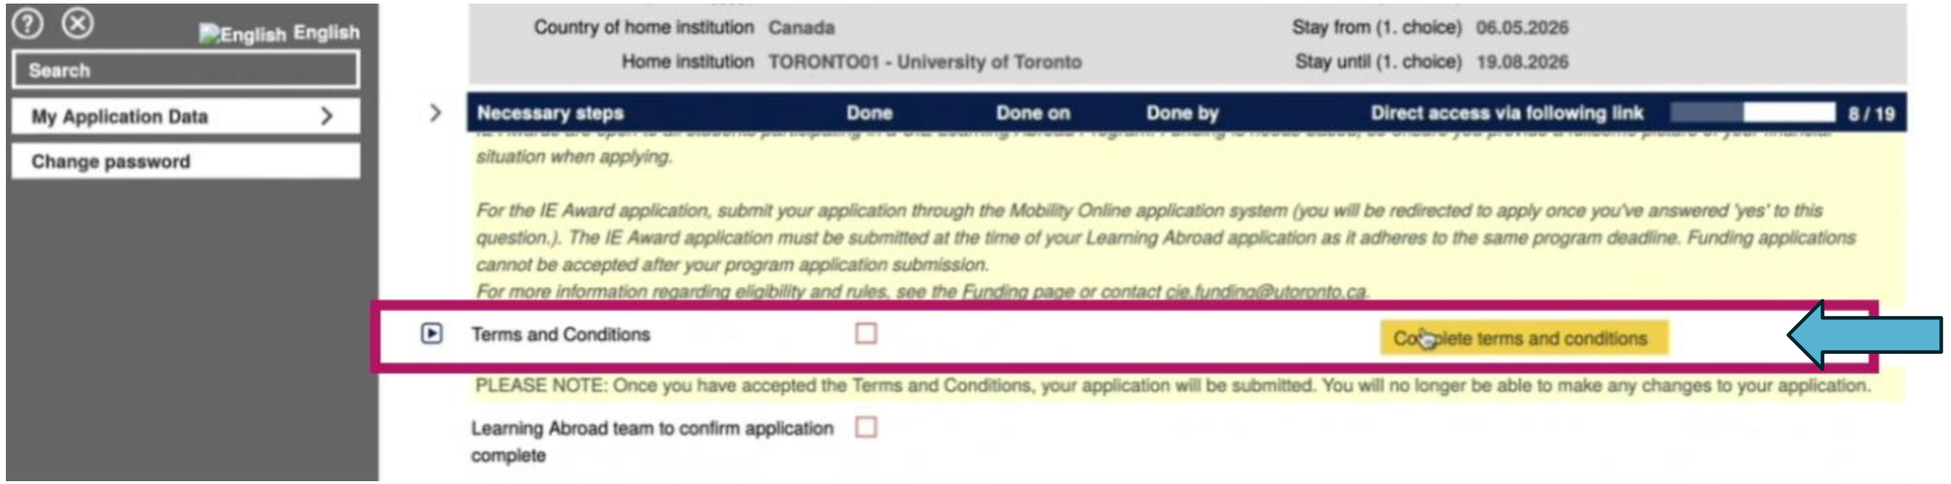

Step #4 - Complete funding application

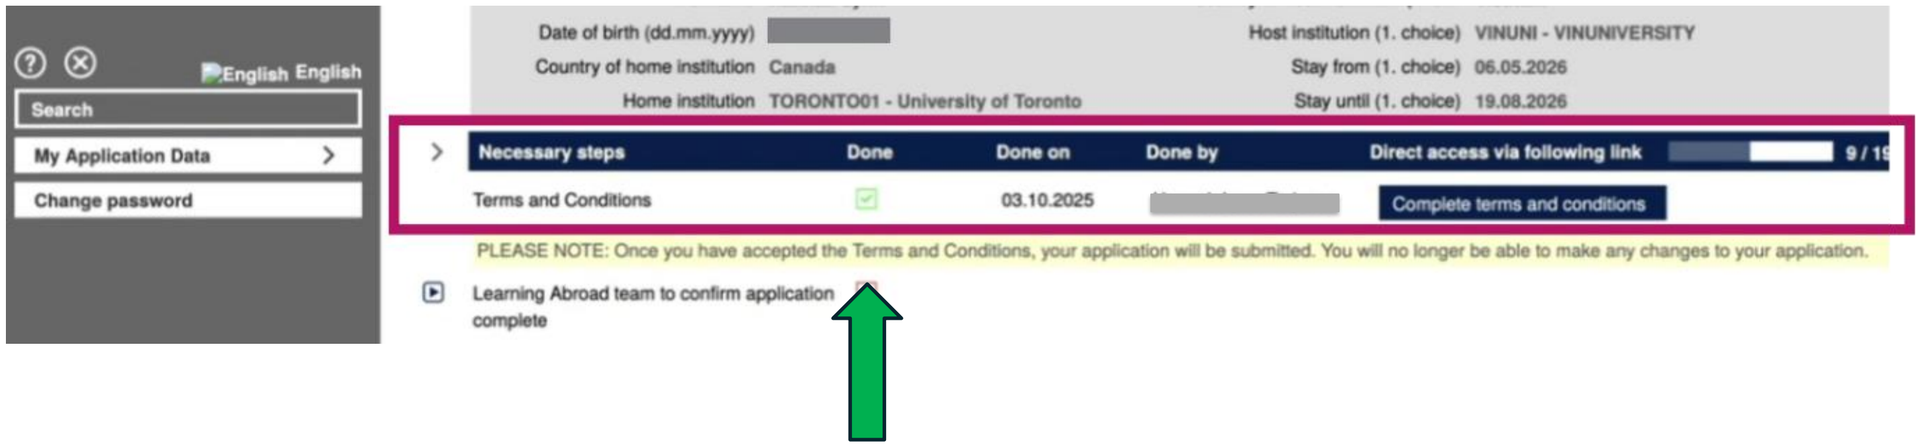

- **Complete the funding application form**
- **If you have questions about filling out the form, contact the funding team**

Application: Part 2

Step #5 – Confirm Terms and Conditions

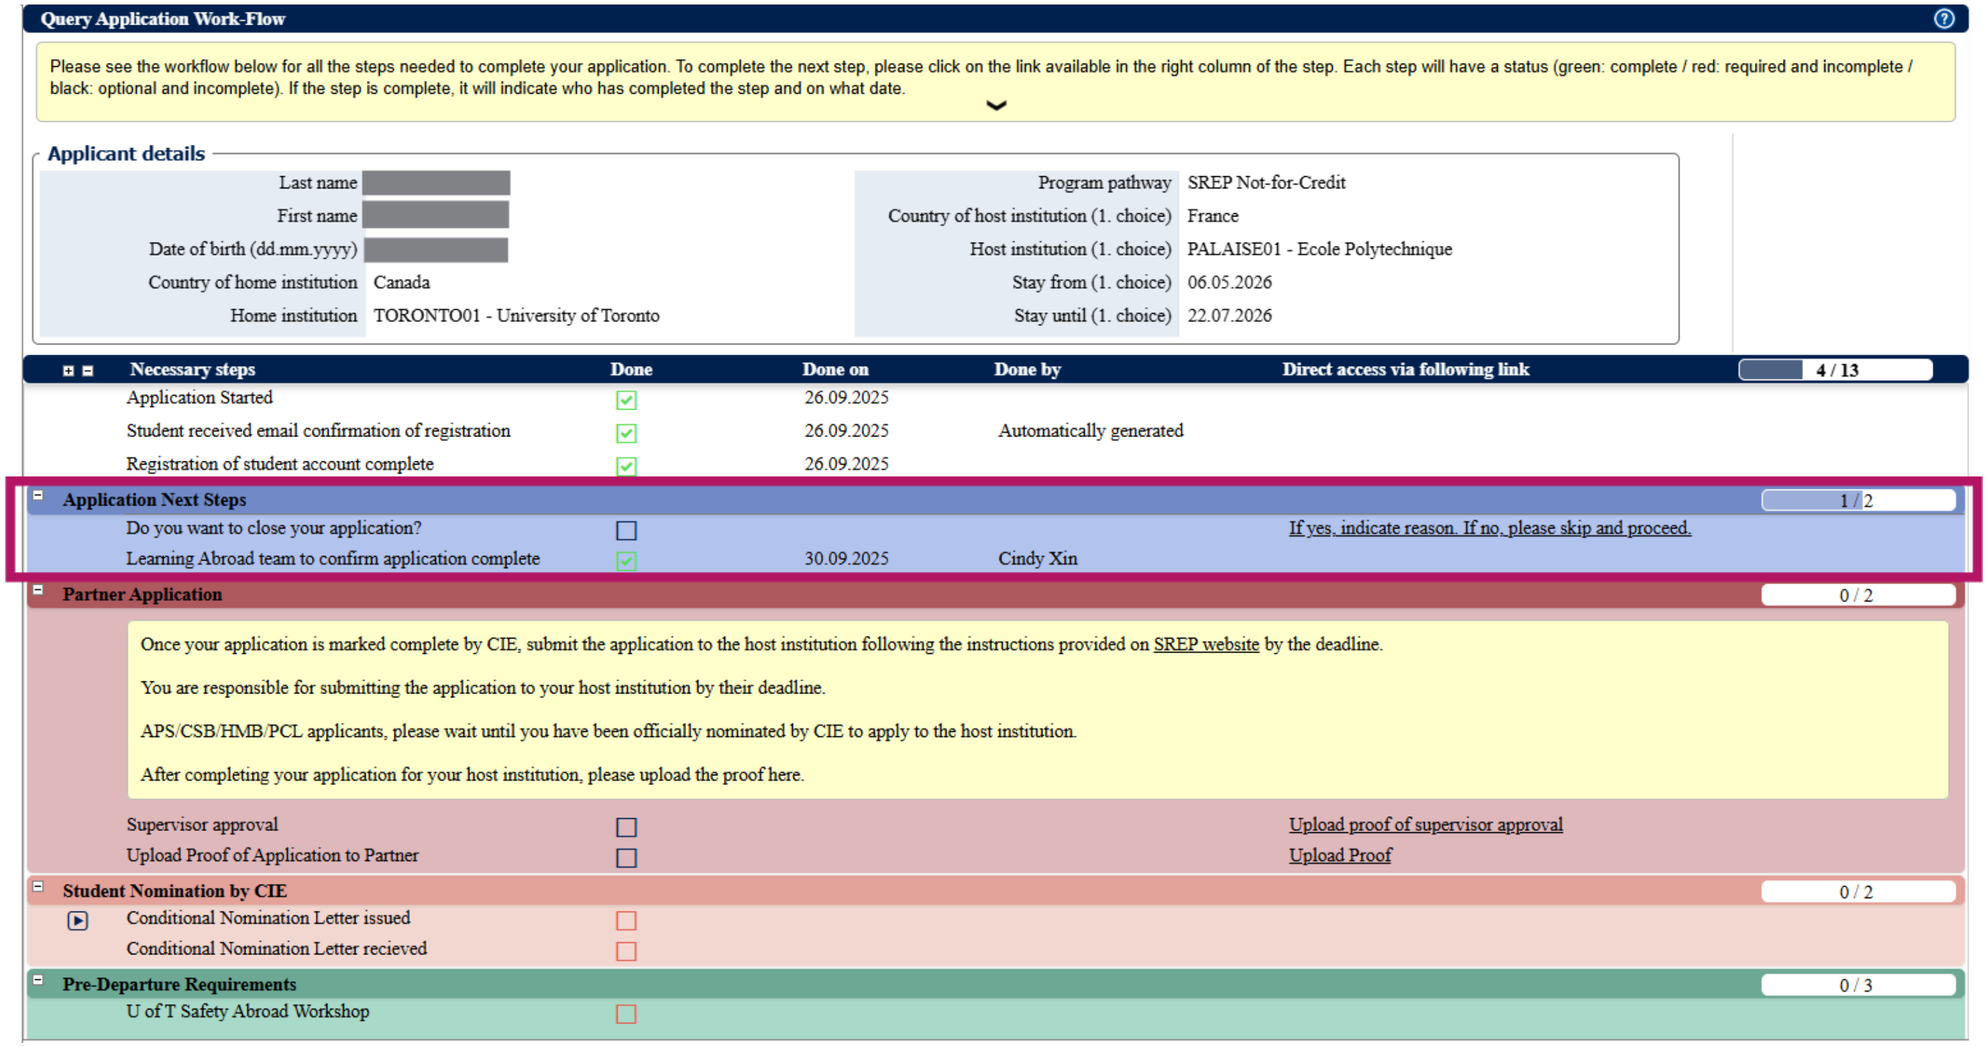

- Terms and Conditions is the very last step
- **You can't make changes to your application once this step is complete**
- If you need to change any answer, please do so before finishing the terms and conditions

Check Your Application Workflow

****Login to Mobility Online via the link you received in your part #1 confirmation email**

Query Application Work-Flow

Please see the workflow below for all the steps needed to complete your application. To complete the next step, please click on the link available in the right column of the step. Each step will have a status (green: complete / red: required and incomplete / black: optional and incomplete). If the step is complete, it will indicate who has completed the step and on what date.

Once your application is marked complete by CIE, submit the application to the host institution following the instructions provided on SREP website by the deadline.

You are responsible for submitting the application to your host institution by their deadline.

APS/CSB/HMB/PCL applicants, please wait until you have been officially nominated by CIE to apply to the host institution.

After completing your application for your host institution, please upload the proof here.

- **Once your application is marked complete by CIE, the relevant next steps will be shown on your workflow**
- **If you have any question about the next steps, email global.el@utoronto.ca or book a Folio appointment**
