Killam Fellowships Program

This program provides an opportunity for exceptional undergraduate students from universities in **Canada** and the **United States** to spend either one semester or a full academic year as an exchange student in the other country.

Students may participate in the program either as a:

- **direct exchange student** (registering at their home university, paying their home fees, and attending the host university as an exchange visitor), or
- **open exchange student** (self-placed visiting students between any Canadian and American universities that are not Killam partners. Students apply for, register, and pay host tuition fees).
